## TOGETHER WE CAN MAKE IT HAPPEN!!

It is the start of another great year at Southwood Community League. Even though we are turning 30 years old this year we are still growing and are always looking for more people to come out and join the team. We have a number of committees available for people to come out and help with.

We are in the process of renovating the building and expanding our community programs. If you are new or old to the community we can use your skills and enthusiasm. No experience is required.

If you would like to find out more about how you can help and meet new people in the Community League please come out to the general meeting on Wednesday May 12 at 7 pm.

For those that don't know or may have forgotten, the community hall is located on the same site as Daly Grove School.

We look forward to meeting you!
